**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Strafford Elementary School in said Strafford on Tuesday, the Fourteenth (14) day of March, next at 10:00 a.m. of the clock in the forenoon, to act upon the following subjects:

- ***1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend the Zoning and Land Use Ordinances pursuant to RSA 675 as proposed by the Planning Board, as follows:

1. To amend Section 1.3.2, General Provisions, to clarify the role of the Building Inspector.

No building permit shall be issued unless the related sewerage disposal system is in conformance with Town Ordinances and there is an approved State permit on file with the Town, if required. It shall be unlawful to install, alter, or repair any sewerage system without first obtaining a building permit from the Building Inspector. No sewerage system shall be covered up without an onsite inspection. The Building Inspector shall inspect any system not requiring State inspection.

2. To amend Section 1.3.4, General Provisions, to bring this article into conformity with the provisions of NH RSA 155-E.

Except for the purpose or in connection with the construction of a building for which a building permit has been issued, or for grading on the same site with material removed, or for other non-commercial uses no person shall remove sod, loam, sand, gravel, clay and stone without first obtaining a permit from the Planning Board in accordance with the existing laws of the State of New Hampshire, Reference-RSA 155-E as amended. No permit will be granted without there first being a public hearing. Said hearing to be held no later than thirty (30) days from the date of application for said permit. A permit will only be granted with a restriction that the site shall be restored through landscaping and revegetation.

3.To amend Section 1.3, General Provisions, by adding:

1.3.10 When converting from seasonal to year-round occupancy, or before expanding any structure or occupying any

existing structure on a full-time basis so as to increase the load on sewerage disposal system, an application for the approval of the system must be filed with the NH Water Supply and Pollution Control Commission. The application must show that either the existing system or the design for a new system meet the requirements of the Commission for the intended use or the town's minimum standards for use or occupancy, whichever is more stringent (Reference NH RSA 149-E:3-c,d). Occupancy permits shall be required for all conversions.

4. To amend Section 1.4.1 D, Land Requirements, to clarify the intent of this article.

Minimum Land Area--A lot shall contain not less than 1.5 acres of land which is suitable for development (65,340 square feet) with an additional 20,000 square feet of land which is suitable for development for each additional family unit under a common roof, except as set forth in parts (1) and (2) of this subsection.

(1) No proposed changes.

(2) No proposed changes.

(3) No proposed changes.

5. To amend Section 1.4.1, Land Requirements, by adding:

1.4.1 G No portion of an area of exposed ledge, or an area with a soil depth of less than 12 inches to seasonal high water table shall be used in calculating minimum lot size.

6. To amend Section 1.4.1, Land Requirements, by adding:

1.4.1 H No portion of an area with a natural slope of greater than 25% shall be used in calculating minimum lot size.

7. To amend Section 1.14.15 D, Definitions, to clarify this definition.

Seasonal refers to less than six (6) continuous months in any one calendar year.

*** NOTE: ALL ARTICLES EXCEPT NO 1 AND 2 WILL BE TAKEN UP AT 8:00 P.M., TUESDAY, MARCH 14, 1989 AT THE ELEMENTARY SCHOOL.

3. To see if the Town will vote to re-open the closed portion of Wild Goose Pond Road and upgrade it to a class V road (Appx. 7/10 of a mi.), and to raise and appropriate the sum of \$50,000. for construction.

4. To see if the Town will raise and appropriate \$110,000. for capital improvements to the following roads:

a. Second Crown Point Road: appx. ½ mile (excavation, gravel, CBR & paving)

b. Province Road: appx. ½ mile (excavation, gravel, CBR & paving)

5. To see if the Town will raise and appropriate \$20,000. to be placed in Capital Reserve Fund as previously established for the future purchase of a fire truck.

6. To see if the Town will raise and appropriate \$25,000. to be placed in Capital Reserve Fund as previously established for the future purchase of an ambulance, and to establish a committee to study condition of present ambulance and future needs.

7. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purchase of Police Cruiser and raise and appropriate the sum of \$8,000. for this purpose.

8. To hear report of Computer Committee established by 1988 Town Meeting to see if the Town will vote to raise and appropriate the sum of \$14,200. for the purchase of a computer system, approved software, training and supplies.

9. To see if the Town will raise and appropriate the sum of \$2,500. to be placed in Capital Reserve Fund as previously established for the future purchase of recreation land.

10. To see if the Town will vote to authorize the Selectmen to make rules governing the operation of the recycling center and establish fees for the disposal of materials therein (pursuant to RSA 149-M:13).

11. To see if the Town will vote to raise and appropriate the sum of \$21,750. for the participation in Solid Waste Management Plan including the removal of tires, metal disposal, recycling bins, costs, etc., and authorize the withdrawal of this amount from the Capital Reserve Fund established for the Recycling Center.

12. To see if the Town will authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for the future revaluation of the Town and to raise and appropriate the sum of \$20,000. towards this purpose.

13. To see if the Town will vote to raise and appropriate the sum of \$577,521. for general town operations.

Town Officer's Salary	\$ 14,700.
Town Office Expenses	43,000.
Election and Registration	2,500.

Water Testing Bow Lake	850.
Interest Expense and Tax Anticipation Notes	10,000.
FICA and Unemployment Compensation	14,000.
Insurance	<u>25,000.</u>
TOTAL	\$577,521

(The intent of this article is to raise the sum of \$577,521. exclusive of all the Special Articles addressed.)

14. To see if the Town will vote to designate the following conservation lands owned by the Town of Strafford as Town Forests pursuant to New Hampshire RSA 31: 110: Weidman Lot (Map 10, Lot 23), Storer Lot (Map 10, Lot 7), Edgerly Lot (Map 10 Lots 24 and 26), McCabe Lot (Map 5, Lot 23), Annie French Marsh (Map 1, Lot 8), and the Spruce Ponds Conservation Area (Map 4, Lot 21-1).

15. "To see if the Town will raise and appropriate \$3,750.00 for the cost of a new gas furnace and installation of same for the Strafford Library." (by petition)

16. "The subscribed citizens of Strafford, being duly registered to vote within the Town of Strafford, do most respectfully petition and request that the good citizens of Strafford, do vote to

accept Spruce Pond Drive as a public road; said Spruce Pond Drive does meet or exceed all Strafford town standards for road construction; being approximately 2904 feet in length; having more than twenty-five (25%) of all lots with occupied homes thereon.” (by Petition)

17. “To see if the Town will vote to have a complete reevaluation by a private appraisal firm that has been approved by the New Hampshire State Department of Revenue Administration. Reevaluation to be completed for the tax year 1990 or thereafter: and appropriate the sum of \$105,000.00 for that purpose.” (by Petition)

18. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal, or other governmental unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95-b.

19. To see if the Town will vote to authorize prepayment of property taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:52-a.

20. To see if the Town will vote to authorize the Selectmen to convey property or tax liens acquired by the Town by Tax Collector’s Deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen or as justice may require.

21. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 10th day of February, in the year of our Lord nineteen hundred and eighty-nine.

Lester Huckins
Gloria G. Creamer
JoAnn Brown
Selectmen of Strafford

A true copy of Warrant—Attest:

Lester Huckins

JoAnn Brown
Selectmen of Strafford

REPORT FROM THE SELECTMEN'S OFFICE

This year has been a productive one for this office.

We have signed a franchise agreement with New England Cablevision, after a review of several proposals and the approval of the agreement by our Town attorney. We hope to have it on line within the next year.

The Computer Committee met with us and made a recommendation that we proceed based on our research and information. A letter from the committee is included in the Town Report.

The change in our ambulance coverage has worked out very well, however, the sole use of our ambulance to service the Town will require the replacement of the present ambulance in the near future.

A professional audit by Mason & Rich of Concord has been completed and our books were found to be in good order. Professional audits will be scheduled periodically, however this year audit will be performed by Town auditors.

We are involved with the Space Needs Committee for the school, and are all aware of the problem. Everyone is working together to find a solution.

We are now entertaining an indepth review of alternatives to the elected position of Road Agent and contracted services.

Please take the time to read the informational letter regarding Solid Waste Management, found in the Town Report. It is necessary to begin work on this plan as soon as possible.

Selectmen's meetings are held on the first and third Tuesday of every month, from 7:00 to 9:00 P.M. The office is open to the public on Monday, Tuesday and Wednesday, from 9:00 A.M. to Noon, for viewing of tax maps, picking up building permits, questions on assessment and other Town business.

Respectfully submitted,
OFFICE OF THE SELECTMEN
Town of Strafford
Lester E. Huckins, Chairman
Gloria G. Creamer, Selectman
JoAnn Brown, Selectman

TOWN OF STRAFFORD REPORT OF THE COMPUTER COMMITTEE

After having reviewed the proposal of Business Management Systems, Inc.; the Computer Committee has the following suggestions:

1. The proposed system to include a hard drive with at least 20 MB, (as discussed in our previous meeting with selectmen), prefer

to see 40 MB.

2. Internal memory 1 MB, (the proposal was unclear).
3. Two more diskless stations, to total three diskless workstations one addition to the front office, and one additional for the selectmen.
4. Add the extra printer as stated in Note B for the front office.
5. Add the wordprocessing software.
6. The Selectmen should now do as they deem necessary to lease purchase until the March 89 meeting or wait until the March 89 town meeting. (Mr. Huckins has knowledge of lease purchasing and should know how best to deal with this.)

The committee would also like to commend the Selectmen and Ms. White for the job of researching and selecting the software and hardware.

We hope that our suggestions will help with the efficiency of computerization.

If there any questions, please feel free to call any one of us.

Respectfully,
Deborah H. Burwell
Rollande Merz
David Roberts
Paul Marichal
Computer Committee

SOLID WASTE MANAGEMENT

A recently revised and updated state statute addresses a problem which is becoming increasingly critical in New Hampshire and throughout the United States. Solid waste includes all materials which normally are taken to the Strafford Recycling Center, plus septage.

The revised state statute, RSA 149-M, establishes a plan which promotes safe, effective and environmentally sound of handling and disposal of solid waste, including hazardous waste. The statute divides the state into 36 solid waste districts. Strafford is in a five municipality district which also includes Farmington, Middleton, Milton and New Durham.

Representatives of the five towns are currently meeting to develop common rules for recycling center operation and fees; and to select common carriers for removal of various materials. These towns will also develop, or have developed, solid waste management plans, which must be submitted to the state Division of Waste Management not later than October 1, 1989.

The first evidence of the requirement of the state statute which will effect residents will be a return of recycling. In order for any solid waste management plan to work effectively, strict recycling must be practiced. Various materials such as glass, metals, and paper products are collected and disposed of separately. Strafford will start a test recycling system in late June or early July, and a compulsory system in early 1990. The response of town residents and summer guests to recycling will contribute greatly to the success of our solid waste management plan, and to the costs of operating the plan.

TOWN OF STRAFFORD AUDITOR'S REPORT

We have examined the combined financial statements of the funds as indexed, of the Town of Strafford, New Hampshire as of and for the fiscal year ended December 31, 1987. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The general purpose financial statements referred to above do not include the general fixed assets account group, which would be included to conform with generally accepted accounting principles. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omissions described in the preceding paragraphs, the combined financial statements referred to above present fairly the financial position of the Town of Strafford, New Hampshire as at December 31, 1987 and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a required part of the combined financial statements of the Town of Strafford, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,
Jon R. Lang
Certified Public Accountant
MASON & RICH PROFESSIONAL ASSOCIATION
Accountants and Auditors

A. Finding

Conservation funds available under RSA 36-A were transferred to the

custody of the trustee of the trust funds. Under that RSA these funds should be held by the Conservation Commission in the custody of the town treasurer.

Recommendation

We suggest that the trustee be instructed to transfer the funds to the treasurer for the Conservation Commission.

B. Computerization

We recommend that consideration be given to computerizing the accounting records of the town.

With the rapid growth the need for more prompt and complete reporting of expenditures and revenue with budget increases.

Taxes are currently on a computer system with a service bureau. Having the tax accounting on a computer in the town office would give the tax collector improved control.

TOWN MEETING - MARCH 8, 1988

The meeting was called to order at 10 a.m. by Moderator Russell Shillaber in the Stratford Elementary School for the purpose of selecting necessary Town Officers for the ensuing year and for casting votes on the second, third, fourth and fifth articles of the warrant by ballot vote. The meeting was closed at 6:00 p.m. to tally the cast ballots and was called to order again at 8:00 p.m. The Moderator declared that he was conducting the meeting according to "The Modified Roberts Rules". He announced a special rule whereby any article disposed of by postponement or tabling with no final action, will not be reconsidered during this meeting.

Article 1. To choose all necessary Town Officers for the year ensuing:

Registered voters	1,442
Votes cast	389
Selectman - Three years	
Lester Huckins	320
Supervisor of the Checklist - Six years	
Lois Fistere	354
Supervisor of the Checklist - Four years	
Carl Gustafson	356
Moderator - Two years	
Russell Shilaber	64
David Meserve	38
Road Agent - One year	
Philip Dame	160
Radford Messenger	130
Trustee of Trust Funds - Three years	
Marc Labrie	299
Library Trustee - Three years	
Bernice Omand	350

Article 2. Are you in favor of the adoption of the following Amendments to the existing Town of Stratford Zoning and Land Use Ordinances, as proposed by the Planning Board?

1. To amend Section 1.3.4. to agree with and include reference to the New Hampshire state statutes concerning the excavation of earth:

"1.3.4 Except for the purpose or in connection with the construction of a building for which a building permit has been issued, or for grading on the same site with material removed or for grading on the same site with material removed, or for other non-commercial uses no person shall remove sod, loam, sand, gravel, clay and stone without first obtaining a permit from the Board of Selectmen in accordance with the existing laws of the State of New Hampshire, reference -RSA 155-E as amended. No permit will be granted without there first being a public hearing. Said hearing to be held no later than thirty (30) days from the date of said permit. A permit will only be granted with a restriction that the site shall be restored through landscaping and revegetation."

Yes—233

No—144

2. To amend Section 1.3.5 by changing it to read as follows: "1.3.5 No permit to build will be issued by the Building Inspector or the Selectmen until a scaled plat, or plan, showing the location of the structure or house, appurtenances and water and sewage systems in relation to the property lines and distance from property lines to any buildings on adjacent lots is presented with the application for the permit, and no building permit shall be issued without a driveway permit. No occupancy shall occur until all Town regulations are met, as certified by the Building Inspector or the Selectmen."

Yes—235

No—148

3. To amend Section 1.3.6 by changing it to read as follows: "1.3.6 No building or land shall hereafter be used and no building or part thereof shall be erected, moved, or altered except in conformity with the provisions of this ordinance. Storage sheds up to 100 hundred (100) square feet not on permanent foundations shall not require a building permit, but shall be located in conformity with the provisions of this Ordinance requiring minimum setback distances."

Yes—243

No—137

4. To amend Section 1.4.1B Land Requirements, to read as follows:

"1.4.1B Front-Yard—Between the boundary of the nearest highway or street right-of-way and the extreme front of any building, there shall be a distance of not less than forty (40) feet. A building on a corner lot is considered to have two front yards."

Yes—276

No—99

5. To amend Section 1.4.1C, Land Requirements, as follows to agree with current Town of Strafford Subdivision Regulations:

"1.4.1C Side and Back Yards—A building shall not be located nearer than twenty five (25) feet of the property lines of any abutter and not nearer than fifty (50) feet from any structure on an abutter's property or from any wetland, as defined by RSA 483-A; 1-a (II)."

Yes—279

N—99

6. To amend Section 1.6.3, Mobile Homes, by changing it to read as follows:

"1.6.3 Building codes including plumbing, heating, and electrical systems in mobile homes brought into the Town of Strafford shall, except as otherwise provided by law, be in accordance with the requirements of the 1976 Federal Mobile Home Construction and Safety Standards, as amended, which are hereby adopted and made part of this ordinance."

Yes—305

No—57

7. To amend Section 1.11.1 as follows to agree with the provisions of the New Hampshire State statutes:

"1.11.1 Every person, persons, firm or corporation convicted by an authorized court having jurisdiction for the violation of any of the provisions of this ordinance shall be subject to penalties in accordance with RSA: 676:17."

Yes—297

No—78

8. To amend Section 1.16, Subdivision Roads, by changing Section 1.16.1 as follows to clarify the procedures for the acceptance of new Town roads and by eliminating Section 1.16.2:

"1.16.1 Roads in subdivisions approved after September 8, 1970, may be presented at the annual Town Meeting for approval and acceptance by majority vote of the Town as Town roads upon said application, Providing they meet all criteria and after having been inspected by the Selectmen and the Road Agent to ensure that current Town of Strafford standards have been met (Reference—Subdivision Regulations Article 2.6.5G) and that said road being considered for approval connects with an existing Town road."

Yes—297

No—78

Article 3. Are you in favor of the adoption of the following Amendments to the existing Town of Strafford Building Regulations as proposed by the Planning Board?

1. To amend Section 4.1.7, Enforcement, as follows to agree with the New Hampshire state statutes:

"4.1.7 Upon any well-founded information that this Ordinance is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in Superior Court or by any other appropriate legal action. Whoever violates any of these regulations shall be subject, upon conviction, to penalties in accordance with RSA 676:17."

Yes—260

No—107

2. To amend Section 4.2 to clarify the procedure for obtaining

a permit to build or repair a dock or pier and to make it agree with New Hampshire state statutes:

"4.2 Motion by Albert Leighton that anyone wishing to build a dock or pier be required to obtain a permit from the Selectmen. Seconded and voted in the affirmative. Anyone anticipating building or repairing a dock or pier shall also be required to obtain a permit for dredge and fill in wetlands from the New Hampshire Wetlands Board pursuant to RSA 483-A:1."

Yes—261

No—108

Article 4. Are you in favor of the adoption of a revised Section 4.4, Subsections 1 through 8 inclusive, FLOODPLAIN DEVELOPMENT REGULATIONS of the Building regulations for the Town of Strafford, repealing and replacing in its entirety the existing Section 4.4, as proposed by the Planning Board? Revision of these regulations is required in order for Strafford to continue participation in the National Flood Insurance Program. Floodplain regulations pertain only to buildings located, moved, or altered within the designated floodplain areas.

Yes—290

No—65

Article 5. Are you in favor of the adoption of the Amendment to update references to the New Hampshire Revised Statutes Annotated as amended wherever they appear in the Zoning and Land Use Ordinances and Building Regulations for the Town of Strafford, as proposed by the Planning Board? The amendment will update the original RSA references by adding the appropriate recodified RSA Chapter and Section numbers. Recodification of the RSA Chapter References in no way affects the intent of the ordinances.

Yes—271

No—81

Article 6. Shall we adopt the provisions of RSA 72:1C which allows for discontinuing access, levy, and collecting a resident tax? (Vote by paper ballot required)

Lester Huckins addressed the article and explained that the funds received from resident taxes would be raised by property taxes if the residence tax is eliminated. After discussion, paper ballots were cast. Affirmative, 127, Negative-80.

Article 7. Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and building for unpaid taxes. (Vote by paper ballot required)

The moderator asked for a motion to consider this article at a later time to allow the supervisors time to count the vote of the prior article, before beginning the process again. A motion to delay until later in the meeting was received and seconded.

Vote was in affirmative. After the vote on Article 15, the Moderator returned to Article 7. Jack Dolan, Town Attorney, addressed the article and after discussion, paper ballots were cast. Affirmative, 184 and negative 10.

Article 8. To see if the Town will raise and appropriate \$159,000, for capital improvements to the following roads:

- A. First Crown Point Road: approx. 4250' (paving only) at the base of Blue Job Mountain.
- B. Sloper Road: approx. 800-1,000' (ditching work & shim paving)
- C. Dump Road: approx. 800-1,000' (ditching work and shim paving)
- D. Caverly hill: approx. .6 mile (excavation, gravel, C.B.R. and paving)

Lester Huckins addressed the article and explained the reasons for the repairs were needed. After a lengthy discussion from the floor, during which Fred Shiere stated his dismay that the road in section C had been alluded to as the "Dump Road", a motion to move the question was received and seconded. Vote on the motion was declared a two-third majority in the affirmative by the moderator vote on the motion as read was in the affirmative.

Article 9. To see if the Town will raise and appropriate \$20,000, to be placed in Capital Reserve Fund as previously established for the future purchase of a fire truck.

David Fistere, Fire Chief, addressed the question with explanation of the need for the fund. After brief discussion, vote was affirmative.

Article 10. To see if the Town will raise and appropriate \$20,000, to be placed in Capital Reserve Fund as previously established for the future purchase of a fire truck.

David Fistere, Fire Chief, addressed the question with explanation of the need for the fund. After brief discussion, vote was affirmative.

At this time, John Upham, Coordinator of the Rescue Team, gave the report of the Committee established by Article 13 of the 1987 Town Meeting. After his report, there was a brief discussion of the article. Vote was in the affirmative.

Article 11. To see if the Town will raise and appropriate the sum of \$15,000, to purchase a defibrillator/cardiac monitor and provide the Rescue Team with training for its use.

John Upham displayed the machine being asked for and made a motion to amend the amount requested to \$10,000, as a suitable machine had been located for the lesser amount after the original figure had been given to the Selectmen. A second to the motion was received, there was no discussion, and the vote to amend was in the affirmative with a two thirds majority vote. After discussion on the article, amended to read, "To see if the Town will raise and appropriate the sum of \$10,000, to purchase a defibrillator/cardiac monitor and provide the Rescue Team with training for its use", vote was in the affirmative.

Article 12. To see if the Town will raise and appropriate the sum of \$2,000, for alterations to be done to the Town Clerk/Tax Collector's office.

After a brief discussion, vote was in the affirmative.

Article 13. To see if the Town will raise and appropriate the sum of \$4,300, for restoration of the Town Clerk's historical records.

The clerk addressed the need for the preservation, there was no discussion, and vote was in the affirmative.

Article 14. To see if the Town will raise and appropriate the sum of \$21,000, for the purchase of a computer system, training and supplies.

Gloria Creamer addressed the article, and after lengthy discussion of the pros and cons, a motion to move the question was made and seconded. Vote on the motion to move was in the affirmative with two thirds majority. Vote on the motion as read was negative.

Article 15. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purchase of recreation land and raise and appropriate the sum of \$2,500, for this purpose.

Richard Omand, Recreation Commission member, addressed the article, and after lengthy discussion, motion to move the question was made, seconded and voted upon with a two thirds majority vote.

Vote on the motion as read was in the affirmative.

Article 16. To see if the Town will raise and appropriate the sum of \$1,000, to establish a Capital Reserve Fund for the Conservation Commission under RSA 36-A:5, for the acquisition of conservation land or interests in land or related costs, the principle and/or interest from said fund may be spent at the discretion of the Conservation Commission.

There was no discussion, vote was in affirmative.

Article 17. To see if the Town will authorize the Selectmen to accept private donations of land, or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of the acquisition

of the fee or lesser interest in conservation land. Said donated funds and state matching funds may be expended at the discretion of the Conservation Commission. (This article would allow Strafford to participate in the Trust for N.H. Lands Program.)

Joann Brown addressed the article with an explanation. There was no discussion and the vote was in the affirmative.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$7,500, to donate to the Strafford Historical Society to help defray cost of moving the building k/a Waldron Store, also k/a Jewel's Store or Union Hall from present location to a permanent site across from the Fire Station in Bow Lake (Map 29, Lot 7-1).

Fred Shiere, Historical Society President, addressed the article and after a brief discussion, vote was in the affirmative.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$517,934, for general town operations.

Town Officers Salaries	\$ 14,500
Town Office Expenses	43,500
Election and Registration	2,500
General Government Buildings	7,900
Appraisal of Property and Tax Maps	5,000
Planning and Zoning	5,500
Legal Expense	3,000

Interest Expense and Tax Anticipation Notes	10,000
FICA and Unemployment Compensation	12,000
Insurance	21,000
TOTAL	\$517,934

(The intent of this article is to raise the sum of \$517,934, exclusive of all the Special Articles addressed.)

Lester Huckins addressed the article and discussed the reasons for the increases in individual areas. During the discussion Bill Lord made a motion to amend the "General Highway and Town Maintenance" figure to \$218,100, with a corresponding increase in the Total Appropriation, and advise the Selectmen to use the increased amount to repair the inside of the circular drive to the school and repair existing drive to school. A second was heard, and after discussion, the vote to amend was in the affirmative. After discussion of the article as amended, vote was taken on the article which read, "To see if the Town will raise and appropriate the sum of \$526,034, for general town operations. Vote was affirmative.

Article 20. To see if the Town will vote to accept from the Bow Lake Camp Owners Association the following dry hydrants:

- a. one on Water Street by Town Dock
- b. one on Water Street opposite the Ruth Woodward property
- c. one at Caswell's Corner

David Fistere, Fire Chief, and John Young, Camp Owners Assn. member addressed the article and answered questions. Vote was in the affirmative.

Article 21. To see if the Town will authorize the Selectmen to act as the franchising authority for the franchising and regulation of a cable television system for the Town pursuant to RSA 53-C.

Gloria Creamer addressed the question and after a brief discussion vote was in the affirmative.

Article 22. To see if the Town will vote to rescind Article No. 23, voted in the 1987 warrant, which authorized the withdrawal and use of \$15,000 from the Recycling Center Capital Reserve Fund.

Mr. Huckins read the article from the 1986 warrant, and explained that the amount voted on, had not been used for the reasons asked for because the County Soil Conservation commission had advised that the proposed plan of action would not solve the problem they hoped to solve, namely, divert surface water around the landfill area of the Recycling Area by construction of a culvert. After lengthy discussion on how the problem should be solved, a motion to move the question was heard, a second was made and the vote to move the question was taken. Vote was in the majority by two-thirds vote, and the vote on the question as read was negative.

Article 23. "WE THE UNDERSIGNED RESIDENTS OF STRAFFORD, NEW HAMPSHIRE HEREBY AFFIX OUR SIGNATURES TO THIS FORM IN ORDER TO PETITION THE TOWN OF STRAFFORD, NEW HAMPSHIRE TO PAVE THE REMAINING 2140 FEET OF LEIGHTON'S CORNER ROAD: AND TO SEE IF THE TOWN WILL APPROPRIATE \$19,968 TO COMPLETE SAID PAVING." (by petition)

After discussion a counted vote was taken, with 61 affirmative and 58 negative.

Article 24. "We the undersigned as residents and registered voters do hereby petition the Town of Strafford to accept the Truenbach Road (Garland Road) as a Town road from the old Garland farm property line to the Strafford/Northwood townline, a distance of approximately 1060 feet." (by petition)

Michael Harrington addressed the article and Lester Huckins explained to the assembled body that the road needed to be brought up to town standards before it could be presented for acceptance. After discussion vote was taken and vote was in the negative.

Article 25. "To see if the Town will vote to authorize the Selectmen to enter into an agreement with the 368th Engineer Battalion U.S. Army Reserve and/or its superior Headquarters to allow the 368th Engineer Battalion, U.S. Army Reserve to hold a training exercise on one half (1/2) mile of Wild Goose Pond Road from Jeness Pond Ext. southeast with

the cost of fuel for the exercise be borne by the inhabitants of the section of Wild Goose Pond Road and the Selectmen of the Town of Strafford provide the necessary information on the road to complete the exercise: to include a map survey." (by petition)

Dick Doucet addressed the article with an explanation of same. Both selectmen Huckins and Mr. Dolan, Legal Council for the Town explained the illegality of the motion as the road being discussed is a closed class six road and no town funds can be used for its maintenance or care in any way. After a lengthy discussion, a motion to move the question was heard and seconded. Vote was in the majority by a two thirds vote. Vote on the motion as read was negative.

Article 26. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal, or other governmental unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 21:95b.

There was no discussion and vote was in affirmative.

Article 27. To see if the Town will vote to authorize prepayment of resident taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:1a.

Lester Huckins made a motion to table this motion as the vote on article 6 was in the affirmative. A second was heard and vote was in the affirmative.

Article 28. To see if the Town will vote to authorize the Selectmen to convey property or tax liens acquired by the Town by Tax Collector's Deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen or as justice may require.

There was no discussion and vote was in the affirmative.

Article 29. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Lester Huckins addressed the question and explained the reason this article was necessary. There was no discussion and vote was affirmative.

Article 30. To transact any other business that may legally come before this meeting.

George Kitz addressed a question to the Conservation Commission about the care being taken of the Widman Land. JoAnn Brown, Commission member explained that the land was being cared for as a field during the Widmans lifetime. After their deaths, some trees will be allowed to grow. The Commission has plans to do some brushing, but do not plan to keep the area cleared as a field as it has been during the Widmans lifetime.

David Perkins addressed a question to the Conservation Commission concerning the possibility of any of the Conservation land being used by the Recreation Commission for the land they are seeking. Neil Mooers answered that most of the Conservation land was either vertical or very wet land. He also pointed out that conservation land was for the purpose of preserving wild life, both plant and animal.

Calvin Schroeder made a motion that the Town of Strafford vote an expression of appreciation to George M. Lovejoy, Jr. for protecting and preserving a significant portion of our Town. This has been accomplished by Mr. Lovejoy giving up his developmental rights and accepting conservation easements on over 16,000 acres to this date. The motion was seconded, and Neil Mooers addressed the plans for The Blue Hills Foundation, of which he is manager. The area is being managed for purposes of forestry and wild life education and will never be built upon. There is now close to 1,800 acres in the foundation, with plans for an additional 1,000 soon to be added. Mr. Lovejoy is a resident whose family has been in Strafford for two generations and he is dedicated to the preservation of this land. Vote on Mr. Schroeders motion was unanimous vote in the affirmative.

Debbie Burwell made a motion to form a committee, designating herself chairman, consisting of five people of her choice, to work with the Selectmen in finding, identifying, and assisting and recommending to the next meeting for the purchase of a computer, software

and equipment to satisfy town needs.

The motion was seconded, there was no discussion and vote was in the affirmative.

The Moderator asked for further business and there being none, a motion to adjourn was made and seconded, and vote was in the affirmative.

The Moderator declared the meeting adjourned at 11:33 p.m.

A true record, attest:

Billye M. Waldron
Town Clerk

TAX COLLECTOR'S REPORT
Fiscal Year Ended December 31, 1988 - (June 30, 1989)

STRAFFORD LIBRARY ASSOCIATION, INC.

With the completion of the 24ft by 32 ft. addition to the Hill Library, the space has been doubled. The new shelves for the new part are on order. A new gas heating system replaces the electric system.

People throughout the community have responded well to the Strafford Library Association appeal for funds enabling the \$27,000.00 addition to become a reality.

S.L.A. appreciation is extended to those citizens who have supported the various drives for the much needed funds. The total list of names would be very long.

Bernice Hill was most generous in her donations both through actual cash and from the sale of her book, *Strafford Gleanings*. Memorial gifts in her name were also directed to the S.L.A. building program.

Thanks also go to the building committee, George Foss, Burnham Varney and Glen Blodgett, and the contractor Paul St. Clair.

The facility for the growing town is much improved and we invite all people to drop in, get acquainted, and to make use of the Hill Library.

Membership in S.L.A. is open and of course needed. Contact any member or officer for further information. Officers: Treasurer; Phyllis Bladgett, Secretary; Sheila Rainey, Vice-President; Betty Stiles, and President; Bernice Omand.

RURAL DISTRICT HEALTH COUNCIL, INC. ANNUAL REPORT - 1988

The Rural District Health Council, Inc. is entering its 20th year of providing health care to its member towns. It remains a certified home health agency providing skilled nursing, physical, occupational and speech therapy, medical social worker, home health aides and homemakers, a comprehensive Hospice program and a 24 hour answering service with a nurse available 24 hours a day, seven days a week with home visits made as indicated.

Programs being provided by Rural District Health Council, Inc. are the Elderly Maintenance Health Program which includes health counseling, blood pressure monitoring, diet teaching and blood testing for diabetes. We also provide influenza shots.

It has been a difficult year for Rural District Health Council, Inc. Staffing is at a critical point and this has caused extra work and burden on the current dedicated staff, as they continue to provide excellent care to all patients in the nine towns. Keep in mind - "there's no place like home, especially when you are ill".

Anyone interested in additional information or needing services may contact the Rural District Health Council, Inc. office at 4 Winter St., Farmington, N.H. or call 755-2202.

Ardala Houle, R.N.
Executive Director

BUILDING INSPECTION DEPARTMENT REPORT For Calendar Year 1988

Prior to May 1, 1988, Mr. Herb Cilley was our Building Inspector and during that time he issued the following permits:

- 57 New Homes (10 of which were grandfathered)
- 30 Alterations
- 7 Renovations
- 2 Docks
- 2 Sheds
- 9 Additions
- 11 Garages

REPORT OF THE BUILDING INSPECTOR

May 1st - December 31st, 1988

May

Three new home permits & one renewal
One garage, one septic repair, one additional renewal. \$ 260.00

June

Three new home permits, three decks, four additions, one alteration, and two garages. \$1,007.00

July

Three new home permits, two pools (inground), three additions, two decks, one dock, two replacements, one alteration and three repairs. \$1,066.75

August

Three new home permits, two decks, one addition, two garages, one barn and one shed. \$ 747.80

September

Three new home permits, one pool (inground), one barn, one garage, three additions and one alteration. \$1,504.20

October

Four new home permits, three garages, one shed, six additions and one renewal.

November

One new home permit, four renewals, one alteration and two septic installations. \$ 425.00

December

Three new home permits, one renewal, one deck and one alteration. \$ 252.00

Strafford, not unlike most towns, is experiencing fast-paced growth. This office is attempting to streamline the building permit process to better serve you.

Building applications for construction of homes, additions, alterations, replacement, sheds, barns, decks, docks, septic, etc., are available at the Town Office.

Building regulation books are also available to better answer your questions.

Be sure to notify the building inspector for required inspections necessary in order to obtain occupancy permit.

Richard M. Fabian
Building Inspector

STRAFFORD ROAD AGENT 1988 ANNUAL REPORT

Having served as your Road Agent during 1988, it has become apparent that the Town's roads suffer from common problem of poor drainage. This situation has arisen over time because money has been directed to surface maintenance. Savings in surface maintenance can be made by improving drainage and prevent washouts and erosions.

Although much time has been spent to date correcting the worst of these conditions, a continuing effort will be necessary to improve overall roadway servcability.

A detailed explanation of the past year's accomplishments follows:

March and April, 1988 brought washouts in many areas, including the First Crown Point Road at the back side of Blue Job, Willey Pond Road, and the Range Road. Minimal manual labor during a heavy rainstorm was successful in eliminating the annual, severe washout to the area of the Barn Door Gap section of the Second Crown Point Road.

Later in the season, as general maintenance, corrective measures were taken to eliminate annual washouts in the above areas. Culvert capacity on the Willey Pond Road was more than doubled, headers were redesigned and ditch lines enlarged.

Culvert capacity on the First Crown Point Road, above, was more than doubled and ditch lines cleaned and enlarged. Headers were reconstructed with engineering advise from Edgar Huckins to improve culvert capacity. Culvert capacity on the Range Road was more than tripled. Old culverts were reset, ditches cleaned and enlarged. These efforts have proven satisfactory to date by the elimination of washouts during heavy summer rains, as well as a lack of ice formation this winter.

Brush cutting was done on the following roads: First Crown Point Road, Second Crown Point Road, Sloper Road, Beaver Dam Estates, Cannan Road, Whig Hill Development, Province Road, Northwood Road, Range Road, Ricky Nelson Road and Willey Pond Road. This not only allows access for better ditch (drainage) maintenance but also improves sight distance and safety. It requires continual effort but is a sound investment.

At the 1988 Town Meeting, a vote was taken to add on to the school/town parking lot and repair the main parking area in front of the building. The work was completed and lines were marked before school began in August.

After review of estimates on the cost for paving of the roads mentioned in Articles 8 and 23 of the 1988 Town Warrant and the school/town parking lot, the paving contract was awarded to Midway Excavators resulting in a substantial savings to the Town.

In preparation for paving the section of the First Crown Point Road that was constructed in 1987, it was necessary to add fine crushed gravel to finish grade. After completion of paving, we graveled the shoulders and driveway entrances with crushed gravel.

On the Dump Road, two old stone box culverts were removed and replaced and ditches cleaned. Edgar Huckins surveyed the road surface to discover the road didn't have sufficient base to support the heavy truck traffic we now have on this road and due to irregular contour of the surface, the amount of asphalt used would have been excessive. I consulted with Edgar Huckins and the selectmen and it was agreed to rip up the worse section and regravell and repave. The knoll in front of Jeff Thorne's house, which was in the 1986 Warrant to be removed, was done this year. In removing the knoll, I discovered it to be three-quarters ledge, which required blasting and removal of the debris. This has resulted in better visibility and safety.

On the Caverly Hill Road, the existing drainage was bypassing drainage structures and running down the road the road side and causing severe damage to the base, the pavement and abutters. Upon a drainage survey conducted by Edgar Huckins, and with the use of topographical maps and field survey, it was discovered the water should have been running to the Isinglass River along the north side of the road and under the dump road. By cleaning ditches and properly installing culverts this condition was corrected.

Brush was cut on the Sloper Road in preparation for cleaning drainage ditches. I was unable to complete this project this year due to the frost. The money is set aside for this project to be completed this spring.

After a site review of the Leighton Corner Road, I was of the opinion that the knoll on the Barnstead line was a safety hazard and should be removed before investing in pavement. After consulting with the Barnstead Road Agent, we thought at this time, that it was prudent to remove this knoll, along with widening the last approximate 400 feet of the existing roadway.

All materials removed in drainage and ditch work that could not be used by the town was donated to nearby landowners to save hauling costs. The materials removed from the Dump Road and Caverly Hill project was donated to the Strafford Historical Society's Waldron Store Project. If the site you have is within reasonable limits of a maintenance project, so that a savings to the Town is possible, we will certainly try to accomodate you.

Respectfully submitted,
Philip L. Dame, Road Agent

STRAFFORD RECREATION COMMISSION REPORT FOR 1988

The Strafford Recreation Commission coped with both record heat and record usage of the beach facilities, with bathers numbering 300 or more some days, during the summer of 1988.

A dedicated beach staff helped to maintain the family atmosphere. Maryellen Plante and Mark Dolan returned to run the swim program with 134 students.

As the numbers of beach patrons have increased, so has the responsibility of enforcing safety rules needed to ensure the safety of all. The beach staff appreciated the help of the Strafford Police in this area. The volunteer efforts of many beach patrons were also of help in ensuring that the Bow Lake Beach was an enjoyable, safe place for everyone.

New this year, was a swim safety line, required and approved by the State of N.H., which cordoned off the area to be used by swimmers only and patrolled by the lifeguards. Boaters, your respect for the rights of swimmers to use this area in safety was appreciated and will be in the future.

The budget request for 1989 is based upon maintenance of the current facilities, it reflects rising salaries and the need for another lifeguard to cope with increased wage. In order to keep the beach open, we need to attract competent lifeguards and water safety personnel; therefore, we need to offer competitive salaries.

The commission sought and received permission to install basketball backboards and hoops at all 3 Strafford Fire Stations. Anyone willing to donate some time to help finish this project should contact a member of the recreation commission or leave your name at the town offices.

The Recreation Commission is once again asking for money, in a separate warrant article, to add to the capital reserve fund. This fund, to be used at some future date, would be available to purchase land or build a recreational facility.

Richard Omand
Karen Andersen
Deborah Liskow
Ron Hernon

REPORT OF THE STRAFFORD FIRE DEPARTMENT

The new year has begun with a careless start in New Hampshire. Fire deaths have been in the news almost every week due to improper heating standards and hook-ups, fire and smoke detector negligence and

a lack of basic fire safety.

If we take time to check our chimneys, woodstoves, portable heaters and the correct operation of smoke detectors, we can hope for a safe new year. Take time to discuss fire safety and what to do in case of a fire with your family.

The Fire Department and Rescue Squad are always seeking new members. If you are interested please talk to one of our members or stop by one of the stations any Monday evening.

STRAFFORD RESCUE TEAM REPORT

January 17, 1989

The Strafford Rescue Team, your all-volunteer medical division of the Strafford Fire Department, has had a significant increase in the number of calls, nearly twice as many this year as last. Nevertheless, our local volunteers have been able to keep up with the medical emergencies, motor vehicle accidents and rescue calls.

We are pleased to report that we were able to save over \$20,000 by relying on our volunteers this year. Center Barnstead's contract was not renewed (as voted last year). Benoit Medical Service was contracted to help us out if we needed assistance at the rate of \$175.00 per call. To date we have used their service once.

We are asking for a new ambulance this year because of dire need. The present vehicle cannot keep up with the demand. We would not ask if the Town did not need.

Strafford is a great community who has provided us with support and encouragement. We are very grateful.

Thank you,
The Reverend John F. Upham
Coordinator, Strafford Rescue Team

PLANNING BOARD REPORT 1988

The Planning Board has had another exceptionally busy year. In order to deal with the continuing rapid pace of development in Strafford, the Planning Board has been holding at least one work session every month in addition to our regular monthly meeting.

Revision of Strafford’s Master Plan is now nearly complete. We would like to thank all of the townspeople who have volunteered their time and expertise to this project. Once the new plan is in place, we will be proposing a series of changes in the land use codes and subdivision regulations to help us meet the challenges posed by future development.

I would like to thank all of the Board members and alternates for all of the time and energy they have dedicated to the Town over the past year.

Neil Mooers, Chairman

Receipts - 1988:

Application Fees	\$2,663.47
Books (Town Zoning Ordinances and Regulations)	included above

Expenditures - 1988:

Secretarial	\$3,018.67

	<hr/>
	\$3,727.43

BOARD OF ADJUSTMENT 1988

The Board of Adjustment has held seven public hearings for the consideration of applications requesting variances to the Zoning and Land Use ordinances of the Town. The number of times the Board meets during a year is based on the number of applications received.

In closing, we note with great sadness the passing of Rene Moring who served as a member of the Board for many years.

R. Stephen Leighton, Chairman

STRAFFORD CONSERVATION COMMISSION 1988 ANNUAL REPORT

The Strafford Conservation Commission is concerned with developing a long-term management plan for the more than 600 acres of conservation land belonging to the Town. To this end, we feel the best way to insure good management of these lands is for the Town to officially designate the various parcels owned by the Town as Town Forests. These parcels include the Weidman Lot, the Storer Lot, the Edgerly Lot, the McCabe Lot, the Annie French Marsh, and the Spruce Ponds Conservation Area. One benefit of the Town Forest designation under RSA 31:110-114 would be assistance from the state forestry agency for long-term management programs. The Town Forest designation would also offer greater protection of our conservation lands from future development pressures.

During the past year we asked several consulting foresters to submit forest and wildlife management recommendations for the Town conservation lands. Based on the proposals we received, we selected Charles Moreno, a consulting forester residing in Strafford, to help us develop our management plan. The Conservation Commission and Mr. Moreno reviewed our management needs and determined that our number one priority would be silvicultural improvements on the McCabe Lot. As a first step in this process, this past fall several members of the Conservation Commission reviewed and flagged the boundaries of the McCabe Lot.

The Conservation Commission has met regularly with representatives of the Trust for New Hampshire Lands during the past year. With their assistance we have been reviewing several parcels of land to determine eligibility for application to the State of New Hampshire Land Conservation Investment Program.

The Commission continues to review all applications submitted for dredge and fill in wetlands, conducting on-site reviews for most of the applications. This past year we have reviewed over thirty applications and we continue to be active in following up several dredge and fill violations in cooperation with the New Hampshire Wetlands Board. We are glad to offer advice to anyone who contacts us before submitting an application for any work in a wetland area.

This past summer, the Commission once again helped sponsor two Strafford students attending the Youth Forestry Conservation Camp at Interlocken. Christine Cantin and Kelly Omand were this year's campers. We would like to thank the Strafford Women's Club who were our co-sponsors again this year.

The Commission continues to work with the Planning Board on the

Master plan revision project. We have been particularly involved in reviewing the Natural Resources and the Water Resources chapters. We continue to attend regular Planning Board meetings and to advise the Board whenever needed, particularly concerning wetlands protection. We also work with the Building Inspector in an advisory capacity whenever needed.

We urge everyone in Strafford to help us in our efforts to preserve and protect our forest lands, our swamps, marshlands, ponds and water-courses, and all of our valuable natural resources.

Respectfully submitted,
J.B. Cullen, Chairman
John Bozak

Neil Mooers

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

TENTATIVE SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School district in the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School in said District on the 7th day of March 1989, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To see if the School District will vote to raise and appropriate the sum of fifty-five hundred thousand dollars (\$550,000) for the purpose of the construction of a two story addition to the Strafford School which would provide for two additional classrooms, two locker rooms and the expansion and renovation of the Veteran's Memorial Gym, kitchen and boiler room, including equipment and furnishings, architectural fees, site development, professional service fees and any other items incident to and/or necessary for said construction; to determine whether such appropriation shall be raised by the issuance and sale of bonds and/or notes upon the credit of the Strafford School District in accordance with the provisions of RSA Ch. 33, as amended; to authorize the Strafford School Board to invest said monies and to use the interest earned thereon for said project; to authorize the Strafford School Board to obtain and expend state and other aid which may be available for said project; to authorize the Strafford School Board to determine the time and place of payments of principal and interest, to determine the rate of interest and the provisions for the sale of notes and/or bonds, and to determine all other matters in connection therewith; or, to take any other action relative thereto. (2/3rds vote required).

2. To see if the School district wishes to extend the land search committee authorized by vote of the March 1987 Annual School District Meeting for a one year period to continue a search for a minimum of 20 acres of land to satisfy the future construction/space needs of the District and to report back to the March 1990 Annual School District Meeting with purchase recommendations; and further, to authorize and direct the School Board to acquire an option or options on suitable parcels of land in accord with terms and conditions which the School Board deems necessary and appropriate, and further raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

3. To hear the report of the Kindergarten Study Committee established by vote of the March 1988 Annual District Meeting.

4. To hear the report of the Space Needs Study Committee established

by vote of the March 1988 Annual District Meeting.

5. To see if the School District will vote to raise and appropriate a supplemental appropriation of thirty-eight thousand two hundred eighty-seven dollars (\$38,287) to be added to the 1989 fiscal year appropriation raised by the 1988 Annual School District meeting; said appropriation to be funded by excess State Foundation Aid funds distributed by the Department of Education under the provisions of the 1988 NH Laws, Chapter 278 and to be expended prior to 30 June 1989 for the purpose of partially defraying the anticipated expense of replacing the Strafford School septic system. (Supplemental Appropriation)

6. To see if the School District will vote to withdraw prior to 30 June 1989, an amount not to exceed thirty-nine thousand three hundred seventy-six dollars and forty-nine cents (\$39,376.49) from the School District Capital Reserve Fund established for capital improvements as well as all or part of the cost of new construction; in accord with the provisions of RSA Ch 35:15; said sum of money to be used to defray the cost of reroofing the original section of the Strafford School and a portion of the anticipated expense of replacing the septic system. (Supplemental Appropriation)

7. To see if the School District will vote to raise and appropriate the sum of one hundred ten thousand dollars (\$110,000) to expand and modernize the kitchen at the Strafford School.

8. To see if the town will vote to place a growth limit on the 1989 school budget that will not exceed inflation as measured by United States Government statistic for the gross national product (GNP) plus 2%. (By Petition)

9. To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of School District officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

10. To see if the School District will authorize the school board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies; private agencies and/or other sources in accordance with the provisions of RSA 198: 20-b.

11. To choose agents and committees in relation to any subject embraced in this warrant.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Strafford this 1st day of February 1989.

STRAFFORD SCHOOL DISTRICT AUDITOR'S REPORT

We have examined the combined financial statements of the funds and account group as indexed, of the Strafford School District as of and for the fiscal year ended June 30, 1988. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the general practice with many New Hampshire municipalities, the Strafford School District has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principals, is not included in these financial statements. The amounts that should be recorded as general fixed assets are not known.

In our opinion, except for the effect on the financial statements of the omission described in the second paragraph, the combined financial statements referred to above present fairly the financial position of the Strafford School District as at June 30, 1988 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a required part of the combined financial statements of the Strafford School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,

Jon R. Lang

Certified Public Accountant

September 1, 1988

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Strafford School District:

When the 1988-89 school year opened last September, the Strafford School was organized as follows:

<u>EMPLOYEE</u>	<u>ASSIGNMENT</u>
Richard Jenisch	Principal
Carol Lord	Secretary
Richard Kaufman	Guidance
Janet Abbott	Grade 1
Nancy vonWhalde	Grade 1
Laura Bernhardt	Grade 1
Elizabeth Mason	Grade 2
Maryellen Plante	Grade 2
Diane St. Germain	Grade 2
Nancy Lake	Grade 3
Priscilla Bowlen	Grade 3
Darla Higgins	Grade 4
Christina Foss	Grade 4
David Nix	Grade 5
Alice Grandmont	Grade 5
Jennifer Wilson	Grade 6
Kristen Lee	7-8 Language Arts
Wayne Stuck	7-8 Social Studies
Frank Finley	7-8 Math
Walter Sagan	7-8 Science
Cheryl Sager	Music
Lisa Geelhood	Art
Kathy Demers	Speech/Language
Robyn Krasko	Physical Education
Jane Kent	Special Education/Resource
Pamela Bowles	Nurse
Anne Cullen	Clerical Aide
Brenda Marichal	Teacher Aid
Elizabeth Warner	Special Education Aide
Carol Savitts	Special Education Aide
Charlotte Berry	Teacher Aide
Anne Tabory	Teacher Aide
Sarah Huckins	Chapter I Aide

Dawn Tuttle
Leo Howard

Head Custodian
Custodian

The enrollment by grade as reported as of September 30, 1988 was as follows:

GRADE	1	2	3	4	5	6	7	8	TOTAL
PUPIL	58	57	40	37	48	26	34	34	334

Strafford School District residents attending other schools at the District's expense is as follows:

SCHOOL	9	10	11	12	TOTAL
SPAULDING	12	10	11	18	51
DOVER VOC.	0	2	1	3	6
COE-BROWN	36	25	15	20	96
TOTALS	48	37	27	41	153

In addition, the following numbers of students are receiving special education services at the District's expense: 1-Dover High School; 1-Woodman Park School; 2-Strafford Learning Center's TIP; 4-Strafford Learning Center's TAC; 2-Strafford Learning Center's ASE; 1-Child Development Center and 14-Coe Brown Academy.

The dominant theme for the past year in many of our school districts has been the issue of growth and the subsequent impact on our school systems. Strafford is no exception to this trend. The school year ended last June with a total of 312 students. The current student enrollment at the Strafford School is 336. Mr. Jenisch is anticipating a September, 1989 enrollment of 385 students which represents a 14.5% increase over the current enrollment.

The need for additional classroom space and the renovation of the kitchen and gymnasium is very evident and therefore, I strongly urge you to give favorable consideration to the passage of the first article in the warrant which calls for the construction of a two story addition, kitchen and gymnasium expansion which would provide for the necessary space needs of the School.

The second article in the March warrant provides for the extension of the Land Search Committee so that the members can continue the search for a minimum of 20 acres of land for the School District. I strongly urge you to support the passage of this article.

The report of the Kindergarten Study Committee is another area which warrants your serious consideration. As you know from previous reports, I am a strong advocate of public Kindergarten programs as I believe them to be educationally vital, necessary and financial cost-effective based on extensive research conducted throughout the country. For these reasons, I once again share with you a summary of this research. In an article entitled WHAT'S AHEAD FOR EDUCATION, Harold L. Hodgkinson, former Director of the National Institute of Education, refers to the tendency in modern American society to think in terms of the Norman Rockwell concept of the working husband, the housewife and two school children as the typical American family. Hodgkinson goes on to state that this traditional description of the family unit holds true for only 7% of American households; 14% of American children today are illegitimate, 40% will be living with a single parent by their eighteenth birthday, 30% are latch key children and 15% have physical or mental handicaps. These statistics underscore the importance of publicly funded preschool programs and in particular, kindergarten programs. I urge the voters of the District to consider funding such a program as there is considerable research such as the Ypsilanti Perry Preschool Project, the Minnesota Early Learning Design in Minneapolis/St. Paul and other studies which underscore the importance not only to the child, but to the taxpayer and society, of public preschool education. According to the Ypsilanti Perry Project report, for every \$1,000 that was invested in the preschool program, at least \$4,130 has been returned to society in the form of reduced costs for special education, legal processing for delinquent behavior and increased earnings of participants. Students who experienced the preschool program subsequently averaged 1.8 years of special education, whereas those that did not have it averaged 3.8 years. For every 100 pupils who had the program 35 dropped out of high school, whereas 55 of every 100 pupils who did not experience the program dropped out. Of those pupils who experienced the program 38 out of every 100 students attended college or took job training courses while of those pupils without the program, only 21 did so. Clearly, the research underscores the importance of making a commitment to public kindergarten programs.

While classroom space and sound instructional program development, especially early childhood programs, are essential for our children to experience successful educational opportunities, the quality of our teaching staff and Principal are by far the most valuable assets possessed by the school system. I wish to take this opportunity to welcome Mr. Richard Jenisch to the school system. I believe his selection as Principal to be one of the wisest decisions to be made in recent years.

I am certain that with his leadership, and the very strong and dedicated staff of teachers which the Strafford School District is fortunate to have serving the children, the system will continue to experience improvement and progress toward achieving excellence in education.

Perhaps the most important development in the Unit during the past year has been the decision to divide the Unit and subsequent approval by the State Board of Education for such a course of action. With the increasing demand for assistance and services and the possibility of the formation of the Branch River Cooperative School District among the northern Districts and the Barrington/Nottingham Cooperative School District in the southern Districts, the decision to divide the Unit is one based on sound educational reasoning. The division of the Unit will hopefully allow the Unit staff to respond efficiently and effectively with needed services in the following areas: support for cooperative school district study committees and building committees, continuing our commitment to achieving excellence in the educational opportunities available to our children, preparation for bond issue presentations, administration of construction projects, budget development, negotiations, development and revision of school board goals, working with local planning boards regarding the development of capital improvement plans, and compliance with special education laws, regulations and standards. These examples are only a few of the areas in which the office is continuing to experience increased requests for administrative services.

Once again, the current Legislative Session merits our attention with regard to at least one particular piece of legislation. A bill has been introduced, the number of which has not assigned by the Office of Legislative Services at the time of this writing, that would increase the State Building Aid program from 30% to 35% and would provide for payment of State Building Aid in a lump sum to school districts prior to construction. School districts experiencing rapid growth would benefit greatly from this legislation. I strongly urge you to contact your representatives in support of this bill.

The School Administrative Unit staff is prepared to assist the District with what I view to be an increased need to study the implications of regional growth and will continue to assist in such areas as curricula review and revision, staff selection and supervision, business management, transportation, special education and legal matters.

On behalf of the members of the School Administrative Unit No. 44 staff, I wish to thank the members of the School Board, and key community people for their untiring efforts and continued support on behalf of our children.

Respectfully submitted,
Barry L. Clough
Superintendent of Schools

REPORT OF THE PRINCIPAL

I am delighted to have the opportunity to serve the children of Strafford as Principal of Strafford School. I want to thank everyone for the warm welcome I have received since accepting this position. I look forward to working with all associated with Strafford School as we strive to meet the academic, social, and emotional needs of the youth of our community.

Currently the staff and I are working in several areas to improve and expand our school program. The current budget addresses some of these needs which are partially outlined below:

1. Develop and implement coordinated curriculum guidelines for grades 1-8 in all subject areas.
2. Improve communication between school and home.
3. Move toward developing and implementing a Middle School program for grades 6-8 in accordance with State and National guidelines.
4. Develop and implement a comprehensive health curriculum which addresses such areas as communicable diseases, substance abuse, nutrition, physical hygiene, dental health, the human body, body systems, the growing process, puberty, etc.
5. Utilize all community resources in an effort to address specific student needs and evaluate school effectiveness.
6. Upgrade record keeping systems.
7. Review and revise procedures for reporting student progress.
8. Expand curriculum offerings to include enrichment activities and computer instruction.
9. Update policies and procedures.
10. Provide for a rapidly expanding population.
11. Revise the pre-school screening process and review the need for a readiness program at our school.

12. Develop and implement a comprehensive professional growth program for all Strafford School staff specific to our school's needs.

As a community we must strive to make our school the best it can be, given the resources we have available to us. The staff and I are committed to this end and welcome community input. We invite all citizens to visit our school and see our program in operation. We welcome volunteers at all grade levels and are currently searching for foster grandparents as well. If interested please call this office at 664-2842.

We will continue to maintain and strengthen our program which emphasizes mutual respect and understanding where individual differences are recognized and nurtured and opportunities for learning are provided for all children.

Respectfully submitted,
Richard A. Jenisch, Principal

STRAFFORD CAPITAL RESERVE FUND

For the purpose of financing capital improvements as well as part of the cost of new construction for the School District, as of December 31, 1988, the Strafford School district has a balance of \$40,162.09.

Town of Strafford Trust Funds
M. Justine Leighton, Trustee

REPORT OF THE STRAFFORD SCHOOL NURSE

The health office is quite busy this year. In addition to administering first aid and assessing illnesses, performing routine health screenings of our students and completing reports and surveys for the state, I am in the process of writing health policies and planning a health curriculum. Just when the task seems overwhelming, I am reminded by a little smiling (or tearful) face of my reason for coming here.

It's been great having the new audiometer. Because it has the added feature of middle ear testing, we can do a fairly accurate assessment of ear function. Thank you for your help making this possible.

The health office has another new piece of equipment this year. We've replaced our shabby old cot with a sturdy recovery couch. This is much more hygienic, in that it has a paper sheet on it which is discarded after each student uses it, thereby preventing the spread of germs between students.

My main goal for this year is to develop a comprehensive health curriculum for grades one (1) through eight (8). Hopefully, with the proper

health education, we can help our children learn to feel good about themselves, and learn to make sensible moral decisions.

Respectfully submitted,
Pamela Bowles, RN

DEPARTMENT OF REVENUE ADMINISTRATION

Your report of appropriations voted and property taxes to be raised for the 1988 - 89 school year has been approved on the following basis:

TOTAL APPROPRIATIONS	<u>\$2,339,635</u>
REVENUES & CREDITS AVAILABLE TO REDUCE SCHOOL TAXES	
Unreserved Balance Fund	33,582
Revenue From State Source	
Foundation Aid	57,464
School Building Aid	26,964

**MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING
HELD WEDNESDAY, MARCH 2, 1988**

The annual school district meeting of March 2, 1988, was called to order by the Moderator at 7:00 P.M., at the Strafford School. There were approximately 139 in attendance.

The Moderator related the ground rules for the meeting: Those who wish to speak should first rise and identify themselves, be recognized by the Chair, that person be allowed to speak without interruption and those who have spoken give the floor to those who have not yet had a chance.

The Moderator read from the Warrant that was posted after witnessing it being removed and notarized.

The MODERATOR advanced Article 1: To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

BILL LORD moved that the district approve the reports of agents, auditors and committees as printed in the town report.

The MODERATOR recognized the motion of Bill Lord, and asked for a second. The motion was SECONDED by an unidentified speaker. There were no questions on the motion. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 2: To see if the School District wishes to extend the land search committee authorized by vote of the March 1987 Annual School District Meeting for a one year period to continue a search for a minimum of 20 acres of land to satisfy the future construction/space needs of the District and to report back to the March 1989 Annual School District Meeting with the purchase recommendations; and further, to authorize and direct the School Board to acquire an option or options on suitable parcels of land in accord with terms and conditions which the School Board deems necessary and appropriate, and further to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

ROBIN ROWE made a motion that Article 2 be adopted as read.

The MODERATOR recognized the motion made by ROBIN ROWE, and asked for a second. The Motion was Seconded by STEVE PIKE. Questions pertaining to this motion were asked and answered. A vote was taken on this motion and it was in the Affirmative.

The MODERATOR advanced Article 3: To see if the School District will authorize the School Board to receive and expend during the current 1987-1988 school year, the sum of sixteen thousand two hundred (\$16,200.00) for the removal and replacement of the oil tank located directly behind the school as per State law, RSA 146-C; and to authorize the School Board to make application for and to receive an interest-free loan under Cycle III of the RUST (Replacement Underground Storage Tanks) Program sponsored by the Governor's Energy Office. (supplemental appropriation).

DON ASH made a motion to adopt Article 3 as read by the Moderator.

The MODERATOR recognized the motion made by DON ASH and called for a second.

The motion was SECONDED by an unidentified speaker, and the Moderator called for questions on the motion. Questions on the financing of the loan and also on the penalties for not meeting State requirements were answered by the Board.

The MODERATOR called the question and a vote on the motion as read was taken. The vote was in the AFFIRMATIVE.

The School Board requested that Articles 4 and 5 be skipped and Article 6 be taken next. THE MODERATOR advanced Article 6: To see if the School District will vote to raise and appropriate a sum of money not to exceed ten thousand dollars (10,000.00) from the unencumbered balance at the end of the 1987-1988 fiscal year. Said sum of money to be deposited in the School District Capital Reserve Fund: capital improvements/new construction for the School District in accord with provisions of RSA Ch. 35.

BILL LORD made a motion that Article 6 be adopted as read. The Moderator recognized the motion made by BILL LORD and asked for a second on the motion. The motion was SECONDED by KAREN ANDERSON. A question as to whether there would be a balance at the end of the fiscal year was asked. BILL LORD answered the question that at this point it was unknown due to the need for an extra school bus.

THE MODERATOR called the question to adopt Article 6 as read. The vote was in the AFFIRMATIVE.

BILL LORD asked the Moderator to move to Article 8 bypassing Article 7 until Articles 4 and 5 were addressed.

THE MODERATOR advanced Article 8: To see if the School District wishes to establish a committee composed of a minimum of seven (7) members to be appointed by the School Board to study the space needs of the District; said committee to submit a written report and recommendations to the 1989 Annual School District Meeting.

ROBIN ROWE made a motion to have Article 8 adopted as read. The Moderator recognized the motion made by ROBIN ROWE and asked for a second. STEVE PIKE seconded the motion. The Moderator asked for questions on the motion. BILL LORD showed projections for school enrollment. The figures for the projection were supplied by LINDA RUSSO. Projected figures for the fall of 1988 are two hundred fifty (250) to two hundred sixty (260) students. KAREN SEEMAN made a motion to amend Article 8 to read: To see if the School District wishes to establish a committee composed of a minimum of seven (7) members to be appointed by the School Board and the Selectpeople (later changed per State ruling to Selectmen) to study the space needs of the District; said committee to submit a written report and recommendations to the 1989 Annual School District Meeting. ROBIN ROWE seconded the amendment. The MODERATOR asked for a vote on the amendment as made by Karen Seeman. The vote on the amendment was in the AFFIRMATIVE.

THE MODERATOR called for a vote on Article 8 as amended. The vote was in the AFFIRMATIVE.

THE MODERATOR advanced Article 4: To see what sum of money the School district will vote to raise and appropriate in addition to the original 1987-1988 appropriation, to be made available to the School District prior to July 1, 1988 and which would fund all cost items relative to teacher salaries and fringe benefits for the 1987-1988 school year, resulting from negotiations between the Strafford School Board and the Strafford Teachers Association or as recommended by a fact finder, and which represents an increase over the 1986-1987 salaries and fringe benefits. (deficit appropriation)

BILL LORD made the following motion on Article 4: Mr. Moderator, I move the School District vote to raise and appropriate by secret ballot the sum of fifty-eight thousand seven hundred dollars (\$58,700.00) in addition to the original 1987-1988 appropriation, which monies would not fund the fact finders recommendations for salary increases for the current school year, and which sum would reject the fact finders recommendation, and would require the negotiating teams to go back to the negotiating table to negotiate a lower pay increase. Said money to be made available to the School District prior to July 1, 1988, and would be a deficit appropriation for the current school year. The Moderator recognized the motion made by BILL LORD and called for a second on the motion.

ROBIN ROWE seconded the motion as read. The Moderator called for questions on the motion and a lengthy discussion followed. BILL LORD spoke on behalf of the Strafford School Board and explained to the Town the School Board's position on the negotiations and on the fact finders report. The fact finders report was distributed to the townspeople. LESTER HUCKINS asked what the \$58,700.00 represented? BILL LORD explained that the \$58,700.00 represented approximately and 18%-20% increase in salary over one year and an increase in health insurance, dental insurance, retirement and Social Security benefits. FRANK FINLEY spoke on behalf of the Teachers and explained their position on the motion and on the fact finders report. MR. FINLEY gave a brief history of the process gone through over the last eighteen months. He addressed the need for a master contract. MR. FINLEY asked that the Town vote to accept the fact finders report on behalf of the teachers. ATTORNEY BRAD KIDDER then spoke on the legality of this issue. JO CAMPBELL, the negotiator for the teachers was also called upon to speak. LESTER HUCKING moved the questions.

THE MODERATOR called for a vote on the motion as read (the need for a secret ballot was dropped). The vote was in the AFFIRMATIVE.

THE MODERATOR advanced Article 5: To see what sum of money the School district will vote to raise and appropriate to fund the increase cost items relative to teachers salaries and fringe benefits for the 1988-1989 school year, resulting from negotiations between the Strafford School Board and the Strafford Teachers Association or as recommended by a fact finder, and which represents an increase over the 1987-1988 salaries and fringe benefits.

BILL LORD made the following motion relative to Article 5: Mr. Moderator, I move the School District vote to raise and appropriate, the sum of ninety-seven thousand fifty-two dollars (\$97,052.00), which monies would not fund the fact finders recommendations for salary increases for the 1988-1989 school year, and which sum would reject the fact finders recommendation, and would require the negotiating teams to go back to the negotiating table to negotiate a lower pay increase.

DON ASH seconded the motion as read.

THE MODERATOR called for questions on the motion. A discussion followed.

ROBERT BARTOSIEWICZ made an amendment to the motion which read: To move the School District vote to raise and appropriate the sum of one hundred forty-one thousand eight hundred sixty-four (\$141,864.00), which monies would fund the fact finders recommendations for salary increases for the 1988-1989 school year, but which sum would reject the fact finders recommendation, and would require the negotiating teams to go back to the negotiating table to negotiate. An unidentified speaker **SECONDED** the amendment. A discussion on the amendment followed. The Moderator called for a vote on the amendment. The vote was in the **NEGATIVE**. Amendment was lost. The Moderator called for questions on the main motion. There were no further questions and a vote was taken. The vote was in the **AFFIRMATIVE**.

The Moderator advanced Article 7: To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of School District officials, agents and employees (other than the cost items voted on Article 5) for capital construction, and for the payment of statutory obligations of the School District .

BILL LORD made the following motion relative to Article 7: Mr. Moderator, I move the School District vote to raise and appropriate the sum of two million ninety-five thousand one hundred thirty-nine dollars (2,095,139.00), which does not include the monies appropriated in Articles 2,3,4,5 and 6 of this warrant, for the support of schools, for the salaries of School District officials, agents and employees for capital construction, and for the payment of statutory obligations of the School District.

STEVE PIKE seconded the MOTION as read. The MODERATOR called for questions on the motion. A lengthy discussion followed. Issues discussed included capital construction and transportation. It was asked whether the budget should be reviewed by line item. The people said no. Tuition lines were discussed. MICHAEL HARRINGTON asked questions on various line items. Questions were asked on modular units versus classrooms.

The MODERATOR called the question on Article 7. The vote was in the AFFIRMATIVE.

The MODERATOR advanced Article 9: To see if the School District wishes to establish a committee composed of a minimum of five (5) members to be appointed by the School Board to study the feasibility of a public kindergarten; said committee to submit a written report and recommendations to the 1989 Annual School District Meeting. DON ASH made a MOTION to adopt Article 9 as read. BILL LORD seconded the MOTION. There were no questions. The vote on Article 9 as proposed was in the AFFIRMATIVE.

The MODERATOR advanced Article 10: To see if the District wished to formally withdraw from the Rochester Authorized Regional Enrollment Area (AREA) Agreement effective 1 September 1988 in accord with the provision of RSA 195-A:14. BILL LORD moved to adopt Article 10 as read. JANICE LARSEN seconded the MOTION. The MODERATOR asked for questions on the MOTION. A short discussion was held. The MODERATOR called the question. The vote on the MOTION passed in the AFFIRMATIVE. The MODERATOR advanced Article 11: To see if the District will vote to convey, by Quitclaim Deed, all of its right, title and interest in and to the School House Lot, so called, a property of approximately forty (40) square feet southwest of First Crown Point Road, Strafford, County of Strafford, New Hampshire, to Lena R. Butler, and to authorize the School Board to execute a Quitclaim Deed in connection therewith. BILL LORD made a MOTION relative to Article 11 after first changing the article to read forty (40) feet square. RICHARD ANDERSON seconded the MOTION as read. A short discussion ensued. The MODERATOR called for a vote on the Article as amended. The vote was in the AFFIRMATIVE.

The MODERATOR advanced Article 12: To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provision of RSA 198:20-b. DON ASH made a MOTION to approve this article as read. MICHAEL HARRINGTON seconded the MOTION. There were no questions on the MOTION. The MODERATOR called for a vote on the motion as read. The vote was in the AFFIRMATIVE.

The MODERATOR advanced Article 13: To choose agents and committees in relation to any subject embraced in this warrant. There was no action required on this article.

The MODERATOR advanced Article 14: To transact any other business which may legally come before this meeting. SIMONE HYSLOP made a MOTION to have the School Board use the money in the budget for modular classrooms to construct permanent portable classrooms, if possible. (Any alternatives to modular classrooms). The MOTION was SECONDED by an unidentified speaker. The vote on the MOTION as proposed was in the AFFIRMATIVE. ROBYN ROWE was recognized by the MODERATOR. ROBYN wished to thank, on behalf of the School Board and the Strafford School District, BILL LORD for his dedication and service over the last few years.

The meeting was adjourned at 9:25 P.M.

Respectfully submitted,
Susan Ciereszynski
Clerk, Pro Tem

**STRAFFORD SCHOOL DISTRICT
SPECIAL SCHOOL DISTRICT MEETING
24 September 1988**

The Special School District meeting was called to order at 10:00 AM by School District Moderator, David Meserve. There were approximately 50 people in attendance. Mr. Meserve went over the ground rules for the meeting and then commenced reading the warrant article: "To see if the School District will vote to raise and appropriate the sum of sixty-two thousand five hundred forty-four dollars (\$62,544) which, when combined with the ninety-seven thousand fifty-two dollars (\$97,052) raised and appropriated on 2 March 1988 at the 1988 annual school district meeting, would fund all cost items relative to teacher salaries and fringe benefits for the 1988-89 school year, which results from negotiations between the Strafford School Board and the Strafford Teachers Association, and which represents the negotiated increase over the 1988-89 salaries and fringe benefits."

Donald Ash stated one change in the article and that was to change the year in the last sentence from 1988-89 to 1987-88 and then made the following motion: "Mr. Moderator: I move the District vote to raise and appropriate the sum of sixty-two thousand five hundred forty-four dollars (\$62,544) which, when combined with the ninety-seven thousand fifty-two dollars (\$97,052) raised and appropriated on 2 March 1988 at the 1988 annual school district meeting, would fund all cost items relative to teacher salaries and fringe benefits for the 1988-89 school year, which results from negotiations between the Strafford School Board and the Strafford Teachers Association, and which represents the negotiated increase over the 1987-88 salaries and fringe benefits." The motion was seconded by Bruce Patrick.

The Moderator then opened up the floor for discussion. Gloria Creamer asked questions regarding the difference between the \$44,000 requested in March and the \$62,000 now. Robyn Rowe explained that Blue Cross Blue Shield had gone up 45% instead of the anticipated 10%, also the hiring of new teachers at higher rates, the music position went from three days to five days, the two part time art positions went to one full time and a grade 2 and grade 5 were added.

Justine Leighton asked why this meeting was not advertised as there were not many people in attendance. Robyn Rowe explained that it was advertised and went on to explain that the warrant was published in the Union Leader on September 12 and Fosters Daily Democrat on September 13 as well as the warrant was posted in four places within the District as well as several articles in the newspaper. She also stated that \$49,781 in surplus funds were turned back to the Town. She also mentioned that the District would be receiving approximately \$38,287 in foundation aid.
